

Inspiring and Preparing Young People to Succeed In the Global Economy

JA Canada is the country's largest youth business education organization. Since 1955, we have inspired and educated more than four million students. Each year, more than 240,000 students across Canada participate in our financial literacy, work readiness and entrepreneurship programs. Through these programs, students gain the knowledge and confidence they need to succeed in school, business and life.

Dedicated volunteers deliver all JA programs. They bring their professional experiences into the classroom to help students connect program concepts with real-life situations. Volunteers use a mix of hands-on activities, discussions and digital learning to engage students and ensure they retain and apply what they learn.

Help Students In Your Community Achieve Their Potential

Dedicated volunteers are at the core of JA Canada's programs. Last year, more than 14,000 individuals volunteered with JA and helped transform the lives of Canadian youth.

As a JA volunteer, you'll deliver programs in a local classroom – giving students critical financial and business knowledge. JA provides you with program materials, in-depth training, and support to ensure that everyone has a fun and meaningful experience.

Bring JA to Your School

Prepare Your Students To Start a Business

More than Money, and all JA programs, are taught by volunteers from your local community. This gives your students a unique opportunity to learn from actual business leaders. These volunteers share their real-life stories and experiences, which makes the learning engaging and memorable. By imparting their knowledge, volunteers give students the confidence, skills and inspiration they need to launch a successful business.

We offer flexible program delivery options, enabling you to fit *More than Money* within your curriculum goals and available class time.
